

The Mayoress of Madrid

Madrid, 11th of September 2018

Dear international students,

We are delighted that you have chosen Madrid as your exchange destination for the next few months!

As mayoress of Madrid, I wholeheartedly welcome you to our city, our universities and our workplaces. I am sure that you will enjoy the endless possibilities that Madrid has to offer, in everything from culture to leisure. Our cosmopolitan city is enriched by your arrival here from your home countries around the globe.

This is our fourth year celebrating the Madrid Student Welcome Day, an event to ensure that you feel warmly welcomed to your new home, whether you plan on staying for a few months or a few years. The welcome day is an international cultural event providing you with the information to make your stay as productive, fun and memorable as possible. As in previous years, we will do our utmost to provide the all that you need to make the most of the city and its services. Last but not least, this is the perfect opportunity to meet other exchange students and students doing internships here in Madrid.

The event will take place on Saturday, the 6th of October in Madrid City Council's headquarters at Palacio de Cibeles, an iconic landmark situated in the historic centre of Madrid.

I look forward to meeting you and welcoming you to Madrid on behalf of the city council and the citizens of Madrid.
